**Re: Notice of *Ex Parte* Communication, WC Docket No. 17-130**

Dear Ms. Dortch:

This *ex parte* relates to a phone call meeting between Steve Davis, of counsel with the law firm of Campbell Killin Brittan & Ray, LLC and Nick Degani, senior counsel for Chairman Pai. Mr. Davis represented the interests of Liberty Media Corporation in the above referenced matter. During this meeting, Mr. Davis and Mr. Degani discussed the Wireline Competition Bureau's ("Bureau") resolution of Rural Health Care funding associated with services provided by GCI Communication Corp ("GCI"). During this conversation, Mr. Davis expressed concern that the Bureau's determination on funding for GCI would negatively impact competition for these services, and in the long run, would lead to higher costs and fewer service options for rural health care providers in Alaska. There were no written presentations provided during the conversation.

If there are any questions, please contact James Campbell or Steve Davis at the above general number.

Sincerely,

James P. Campbell  
Managing Partner
